Compact Revolving multi-media Spinners

Keep CDs neatly organized and visible with free-standing display units. Choose woodgrain laminate or powder coat paint finish. Displays rotate a full 360° on a sturdy, 15"H base. Shelves can be adjusted every 3/4" to store videos, cassettes, DVDs, or CDs. Pockets measure 2-3/8"W x 4-1/2"D. The 10-tier large spinner (A) has 8 pockets per tier for a total of 80 storage pockets to hold up to 400 CDs in jewel cases. Each storage tier has a 1/2"H lip for label holders. The compact spinner (B) has 9 tiers with 8 pockets per tier giving you 72 pockets of storage space for up to 360 CDs. Optional 3/4"W clear self-adhesive holders classify media in each pocket. Top canopy available in white only. Units with taller pockets available for security cases.

Multi Media Rotor Stands

Base is constructed of 3/4"-thick fiberboard with melamine laminate surface and PVC edge banding. Display your multimedia materials, for easy patron selection using Single-, Double- and Quad-tower Rotor Stands. Each display is 72"H with 60"H towers featuring 6 tiers of rotating polystyrene shelves. Oversized paperbacks, videos, DVDs, or audio books that measure up to 8 7/8"H are stored spine-out in 4 1/2"W x 4 1/2"D compartments for easy view of titles. Towers are mounted on tip-proof 11"H base.

Stock#	Description	1 unit
11P571.1410605	Single 69"Hx15"Wx15"D 168DVD/ 72VHS/150 book	\$1650
11P571.1410606	Double 69"Hx35"Wx15"D 336DVD/ 144 VHS/300 books	\$2238

Rotor Island Displays

Provide your video, DVD, and paperback collections with the best possible exposure. Classic rotor islands assure that all materials have a great location. Available in your choice of 4 or 5 tower displays. Towers rotate independently and are mounted on 4 or 5-point bases. Constructed of high-impact polystyrene with clear dividers to make browsing easy. Choose 5-tier Displays for oversized paperbacks, DVDs, videos, audio books, or media up to 8 7/8"H. Shelves measure 9 3/4"H x 9 1/4"W x 4 1/2"D. 6-tier Displays provide storage for standard-height paperbacks up to 7 1/8"H. Shelves measure 7 3/8"H x 4 1/2"W x 4 1/2"D. 8-tier Displays store CDs. Shelves measure 6"H x 12"W x 4 1/2"D. 4 tower unit measures 63"H x 32" dia. overall. 5 tower unit measures 63"H x 40" dia. overall.
