

Applique Banners

Decorative banners are both colorful and functional

Each pennant-style banner is constructed of strong 200-denier fade-resistant nylon fabric. Evenly satin-stitched appliques are close-trimmed from behind to allow visibility from either side. Lettering is applied, adhesive-backed nylon fabric (not sewn) giving a sharper edge for easier reading; lettering appears on both sides.

2 1/4" top casing for flagpole or dowel insertion; Banner Hanging Kit Sold Separately

Banners can be customized to your specifications; call for details

Standard Size: 42"Hx32"W

Banner hanging kit (Included dowel, 2 finish chains, clips) 9B468.29374004
