

Reflective Outdoor Signs

High visibility makes identification easy

Library Logo Signs (A and B) help people in your town locate your library or media center. Use Directional Arrows (C) in combination with the Library Logo Street Sign (B) to show the direction. Outdoor Parking Signs (D-I) provide proper identification for your parking areas. Symbol of Access Signs (G) help you comply with ADA requirements. Mount 6"H x 12"W Van Accessible (E) sign directly below symbol of accessibility where required. Signs are constructed of durable, heavy-weight 0.080 gauge aluminum with reflective 3M™ sheeting and ink to withstand the harshest environments. Radius corner signs come with 3/8" holes for mounting and meet most State DOT specifications. Signs can be post or wall-mounted. Mounting hardware not included. (A-C) available in blue or green.
