**Charging Trays and Guides**

**Single Charging Trays:** Holds approximately 1,000 - 3" x 5" cards and guides. Plastic: 3-1/2"H x 4"W x 14-7/8"D.

**Double Charging Trays:** Holds approximately 2,000 - 3" x 5" cards and guides. Plastic: 3-3/4"H x 8"W x 14-7/8"D.

Trays and Guides withstand heavy use

Plastic Trays (A & C) are 1-piece high-impact polystyrene with self-locking, adjustable steel follower blocks and slanted front and back for easier filling

Alphabet (E) and Day-of-the-Month (F) are made of durable 25 pt. gray pressboard and have 1/3 cut tabs

Polyester Type Tab Charging Tray Guides (G) are only 1/3 the thickness of pressboard guides to save space; 1/2 cut, right/left reversible tabs
